

October 2021

Dear Marina Village Boaters,

We are enjoying the wonderful early autumn weather and hope you are doing the same!

PLEASE HELP US NAME THIS NEWSLETTER We are looking for a name for our newsletter. You can submit your ideas to svyeda@marinavillageharbor.com and you could win bragging rights...and a small gift!

LAUNDRY UPDATE You can now pay for laundry from your phone by downloading the PayRange.com app and following the instructions to sign up. If you still prefer using quarters, you can obtain them from our office during business hours.

We are installing new fans in both laundry rooms to help with the heat build-up.

The large capacity dryer at Gate 8 has been ordered and is scheduled to arrive in 6 to 8 weeks.

Please remember to make sure the doors are closed and locked when you are done using the laundry rooms!

MARINA REMINDERS We are not able to dispose of appliances at the Marina. You can drop off your old appliances at the Berkeley Transfer Station at 1201 Second St Berkeley, CA.

Please help keep the Marina clean by keeping your boat washed and the fingers around your boat clear. We will be sending out friendly reminders as needed. We have a list of boat cleaning services at the office for your convenience.

Please return all dock carts immediately after use.

**GATE 11 & 8 LAUNDRY
NO LONGER A NEED FOR
QUARTERS**

**Download the PayRange App

We love your furry friends/pets but please help keep the Marina clean and pick up after them.

HEALTH & SAFETY Per the Alameda County Mask Mandate, everyone 2 years of age and older must wear a mask in public indoor settings and businesses (including the Marina restrooms) regardless of vaccination status.

For your safety, please do not ride bikes/scooters/roller blades or skateboards on the docks.

Let's stay safe together!

BIKES We will be attending the Marine Recreation Association conference in October and hope to find some creative ideas for bike storage. Since we don't own the land around the Marina, it has been a challenge to find good solutions.

SOCIAL COMMUNITY The ice cream social in August and the Gate 11 restroom opening celebration were rousing successes! We look forward to more gatherings in the future. Check out what's new on our website at www.marinavillageharbor.com.

Do you have a favorite boating destination in the Bay? Or did you participate in the Coastal Cleanup on Sept 18th? How about some great photos? We would like to add them to our website. Please email SherwinSamson@MarinaVillageharbor.com.
